- How is a person "justified by faith apart from the works of the law", but we're still called to "bear fruit" to show that we are a true follower/believer in Jesus? (v. 28) [Difference between "justification" & "sanctification"/Jesus' saving actions & our devoted response]
- If we're saved by faith then what benefit is there in "upholding the law"? (v. 31)
